

Dear member,

You are cordially invited to our group's A.G.M. on **Thursday 29th Nov. 7.30pm** at The Friend's Meeting House, Quaker Close, Woodlands Drive, Scarborough. The agenda and proposal form are printed overleaf and the minutes of the last meeting are enclosed. It would be helpful if you brought these along for reference.

As members, we share a love of the countryside and support the efforts of Ramblers in making it more accessible for us to enjoy, and our footpath officer, Les Atkinson, continues doing a tremendous amount of work to further this. We hope you are finding the club website useful as Harry Whitehouse continues to update it at www.scarboroughramblers.co.uk.

Ray Johnson, our walks secretary and his team of walk leaders, have offered a splendid choice of walks through the last year and the A.G.M. is an opportunity to thank all the committee for the work put in over the past year and of course to elect a new committee.

All posts are open for election and we are especially seeking someone to fill the role of Countryside Officer to look at plans that might affect the areas we walk in. The committee's work would be made so much easier if we had 2 or 3 more willing volunteers to help, particularly by representing Scarborough at the area council meetings, which are held 4 times a year.

If you are considering standing for any position but unsure of the commitment, please contact the chairman, philip.trafford@ukgateway.net. (01723 863975)

Following the main business of the evening, we can enjoy refreshments and view a presentation of Harry's challenging trek across the Pennine Way.

We would really appreciate your attendance and look forward to welcoming you there.

Yours sincerely,
Pam Grimwood (Secretary)
