

Webmaster's report, Group Committee 2 June 2016

- The group's Twitter account now has 152 followers.
- 4 new problems encountered with rights-of-way, which have been reported to the relevant authority, were logged on the site's Problems page, bringing the total to 100.
- The email circulation list now has 141 members. Weekly circulars are sent to these subscribers, as well as to members of the group's Yahoo message board.
- The archive section of the Resources page has been restored after optimisation and revision.
- An up-to-date printer-friendly download of the Events programme has been provided.
- Further website updates and additions are detailed on the What's New? Page.
- Most Sunday walk reports are now being viewed by at least 100 individuals on Sunday evening and Monday.
- If officers wish to forward their reports to committee, I would be pleased to archive them on the website, to help build a picture of the group's activities for the information of both current members and those who follow.
