Walking Weekends

Pam and Dave's weekend in Middleham was a great success. There were 10 of us, including 9 members of the LDWA! We enjoyed 3 great walks. On Friday afternoon Les Atkinson led a short walk from Leyburn in beautiful weather. On Saturday Dave Grimwood led a walk from Middleham. The weather was brilliant and we were treated to an excellent walk, visiting Jervaulx Abbey and the pretty village of Thornton Steward, as well as lots of interesting information about the history of the area from our resident historian. Sunday's walk was from West Burton, visiting the remains of the Knight's Templar's Preceptory and West Witton.

N.B

With regret, Les and Margaret have had to cancel their proposed weekend in Kettlewell in September due to lack of numbers.

75th Anniversary Walk

On Sunday 18th July Judy led a walk from Castleton to mark the 75th anniversary of the Rambler's Association. A small band of intrepid walkers braved the unseasonably cold morning but it turned out to be a lovely walk in kind weather. Thank you Judy.

Area Council meeting

The Area Council meeting is to be held in Scarborough on Saturday 9th October at 2pm at the Indoor Bowls Centre. This is the first time we have hosted a meeting and all members are invited to attend. Parking can be difficult in the area so please make sure you have a parking disc displayed. We are hoping to arrange a short walk in the morning before the meeting. Look out for more information on the Group website.

Social events

Saturday 9th October - Saba Thai, Scarborough

Saturday 4th December - Yew Tree, Scalby

(This is our usual Christmas venue)

Please look out on the Group site for more details/changes of date or venue. Or contact Lisa direct for more information.

TICKS

Please check after each walk as many of us have been victims this year.
